## EVALUATION

Liu Yuhan has shown considerable enthusiasm and interest at work. She put much effort into her work and the study of the news and information outputs. She was extremely proficient in analyzing the reports and information being prepared for releasing. She has the ability to focus on and identify the important elements of a particular text. Her diligence and application made a good impression on both the journalists and editors in the department as well as the intern supervisory staff.

——Yang Guoqiang, Director of CNC English Department
